Claire Geddes.

Junior Lead, supporting Development within Petanque with Juniors

Over the last 6 years, I have been involved and supporting Junior Petanque. Starting when my eldest (Jane) started playing, I supported with her training and fundraising. Developing to team organiser by taking the girls team to France (2022). Actively keeping the Junior girls team going with other parents, so they could enjoy success at the Junior Europeans.

After this, I supported Chris Chubb, with his training/coaching days. Again, taking time off work to take two teams to France – 2 years later.

Our family seem to be involved in Junior events, we are keen to see the work from Toni and Chris developed, so we can offer more excellent Junior players over the coming years.

My role as a teacher, brings awareness of safeguarding, GDPR training. Plus I can communicate with children and parents. I can structure/plan days or events, with relevant paperwork.

Overall, I am keen to see continued development over the next 2 years of the Junior players.
